BACKGROUND:

Sara Ines Ruiz was nominated by her school, John Glenn Middle School of International Studies, to attend the National Young Leaders State Conference in Irvine, CA. The conference is a four-day leadership conference that will help reinforce student leadership skills including public speaking, communication, conflict mediation, critical and simple decision-making, goal setting, group dynamics, large project management, and self awareness.

We would like to use Fourth District Community Improvement funds to allow Ms. Ruiz to attend this important conference.
