BACKGROUND:

The Agreement sets forth the terms and conditions by which Consultant will provide stormwater Best Management Practices (BMP) training to District, City and County of Riverside municipal employees, as required by all of our area-wide NPDES Municipal Separate Storm Sewer (MS4) Permits. Consultant has extensive experience in formulating effective BMP classes that are extremely beneficial to the employees. Consultant has also provided training for California Department of Transportation (Caltrans), Counties of San Bernardino and Riverside, and numerous Regulatory Agencies, Municipalities, School Districts, Engineers and Developers. Moreover, Consultant is approved by Caltrans and the International Erosion Control Association to instruct "Construction Water Pollution Control 24-Hour Training" (SWPPP) (24-hour class) and the Certified Professional in Erosion and Sediment Control Exam Preparation Class (16-hour plus test).
