4. Authorize the Executive Office to transfer \$315,000 from the General Fund Designation to the Department of Facilities Management to cover various expenditures associated with this land acquisition transaction, including due diligence costs, transaction cost, and staff time, with any unused funds to be returned to the CIP General Fund Designation account.

**BACKGROUND:** On June 19, 2006, the Board of Supervisors received a report regarding the need to increase the capacity of the county's jail system. The report recommended adding 400 to 600 beds to the Larry Smith Correctional Facility. In response the Department of Facilities Management (DOFM) has had a 582 bed expansion designed and bid; the construction contract was recently awarded and the project is underway.

Accomplishing the increase in bed capacity necessitated the purchase of additional property to provide for increased parking capacity and to create a buffer zone between the facility and the adjacent neighborhood.

The purchase of the property is exempt from the provisions of CEQA since it does not involve any changes to land use, the existing building or the environment. Pursuant to CEQA Guidelines, Section 15061, a Notice of Exemption was filed with the county clerk on January 15, 2008 and removed by the county clerk on February 16, 2008, finalizing the 30-day period.

County Counsel has reviewed and approved Resolution 2008-081, Notice of Intention to Purchase Real Property of a 1,499 square foot, single family home located at 484 Wesley Street City of Banning, County of Riverside, California. Obligations to be issued by the County of Riverside and Directing Certain Actions as to legal form.

While Facilities Management will cover the cost for acquisition services at the time of this property transaction, the General Fund Designation will reimburse Facilities Management for these costs.

**FINANCIAL DATA:** The following summarizes the funding necessary to acquire Assessor's Parcel Number 543-140-018:

Purchase Price:	\$ 300,000
Estimated Title and Escrow Charges	\$ 4,000
Due Diligence Expense	\$ 500
Estimated Real Property Appraisal	\$ 4,000
Acquisition Consultant Costs	\$ 3,500
Relocation Consultant Costs	\$ 4,667
Estimated Relocation Assistance Payment	\$ 23,950
DOFM Real Property Costs	\$ 3,000
Total Estimated Acquisition Costs:	\$ 343,617

Any necessary budget adjustments will be brought forward under separate cover seeking authorization to purchase the related real property.

The project budget for the Larry D. Smith Correctional Facility Expansion No. 3 Project will be used to fund this acquisition. The Department of Facilities Management will make every effort to incorporate this acquisition into the overall general fund designation. The Department of Facilities Management will work collectively with the Executive Office to ensure appropriate funding is available.

All costs associated with this property acquisition are fully funded through the General Fund Designation for FY 08/09. No costs are anticipated to be incurred in FY 2007/08. Facilities Management will return to the Board under separate cover for any necessary budget adjustments associated with this transaction for FY 2008/09. Thus, no additional net county costs will be incurred as a result of this transaction.
