RE: Engineering Services Agreement with Vali Cooper & Associates, Inc. for On-Call
Construction Inspection Services

July 07, 2008

Page 2 of 2

A request for proposals was advertised. Sixteen firms submitted qualifications and the top seven ranked firms (based upon an evaluation of the proposals) were invited to interviews. The written proposals were evaluated by representatives of the Permit Section and the Construction Inspection Section of the Riverside County Transportation Department.

Vali Cooper & Associates, Inc. was selected as one of the top ranked firms to provide services on an "as needed" basis, estimated at \$1,000,000.00 annually for a period of three years. The contract was developed by negotiations between Vali Cooper & Associates, Inc. and the Riverside County Transportation Department. Additional contracts with two other engineering firms for on-call services are currently being negotiated. These contracts provide that they may be canceled by the County without cause with 30 days notice.
