directed to cause the appropriate resolution, based on the election tally, to be prepared and returned to the Board for its consideration.

BACKGROUND: Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2008-223 adopted May 20, 2008, the Board of Supervisors noticed a public hearing for July 15, 2008, to receive testimony regarding the annexation of Zone 112 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Zone 112 will fund the maintenance and servicing of landscaping, multi-purpose trails, and fencing, and graffiti abatement within public rights-of-way located southerly of Mariposa Ave and northeasterly of Mockingbird Canyon Rd in the Woodcrest area and includes 131 single-family residential lots.

On May 21, 2008 a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2008-223, and an information sheet was mailed to all property owners within Zone 112, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2008-223 in The Press Enterprise at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2008-223 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two other public locations within the County.

Section 53753 of the Government Code has been amended. It requires that the Board after conducting the public hearing designate an impartial person, having no vested interest in the outcome of the proposed annexation, to tally the ballots received by the close of the public hearing at a specified time, date and place.
