

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Parks Department

SUBMITTAL DATE:
7/15/08

SUBJECT: Engineering Services for Mayflower Park – District IV

RECOMMENDED MOTION: That the Board approve and:

- 1) Authorizes the Chair to execute the agreement between the Riverside County Parks Department and Dudek Engineering and Environmental in the amount of \$121,700.00 for the Engineering Services at Mayflower Park, Blythe, California; and
- 2) Instructs the Clerk of the Board to return four (4) executed copies of the agreement to the Parks Department for transmittal and file.

BACKGROUND: The Riverside County Parks Department manages the County's park projects from Chiriaco Summit to Blythe. In principle, approval for this project was received on February 7, 2006 when your Honorable Board approved the Upgrade & Expansion of Mayflower Park along the Colorado River, Board Agenda Item 3.27.

On April 9, 2008, the Parks Department advertised in the Public Notices of the Press Enterprise, on the Parks Department website, and on the OCB Reprographics website for consultant engineers to provide design services for new water and sewer lines to connect Mayflower Park to the City of Blythe for water and sewer services. Additionally, all known engineering firms were contacted by the Parks Department.

SUBJECT: Engineering Services for Mayflower Park – District IV

Statements of Qualifications were received on May 20, 2008 and, per Board Policy H-7, were reviewed by a Selection Committee of three knowledgeable County employees. A short list of the top three firms was developed and interviews were held. The firms were separately ranked on the basis of the interviews. The firm with the highest combined rating was Dudek Engineering + Environmental.

The total contract amount of \$121,700.00 is a not-to-exceed figure. The fees for the project will be billed on an hourly basis.

The Office of County Counsel has reviewed and approved the agreement as to legal form.
