Dept't Recomm.:  Consent  Policy   
 Per Exec. Ofc.:  Consent  Policy

The relationships between gang membership, illegal drug activities, violent crime, and serious social problems have long been well established. Gang members are often involved in the manufacture, distribution and use of illegal drugs. The manufacture, distribution, and use of illegal drugs fuels homicides, assaults, property crimes, domestic abuse, and child neglect and abuse.

As a model of intelligence-led investigation and interdiction, Multi-jurisdictional Gang Task Forces are critically important in the fight against increases in gang membership and related criminal and social problems. They bring together Federal, State, and local agencies to exchange information and create unified regional strategies. They pool scarce resources to reach across jurisdictional boundaries to locate those responsible for violent crime.

The Riverside County Gang Task Force, a multi-faceted task force comprised of local, state, and federal law enforcement officers, seeks to reduce violent crime through aggressive gang enforcement, prosecution and targeting those individuals that are involved in the illegal trafficking of firearms. A vital component in this effort will be the task force's ability to successfully conduct long-term and complex investigations involving a wide array of investigative strategies. Intelligence and analytical support plays a critical role in successfully completing these cases.

The Edward Byrne Memorial Discretionary Grants Program, administered by the Office of Justice Programs' Bureau of Justice Assistance helps improve the capacity of local adult criminal justice systems and provides for national support efforts such as training and technical assistance projects to strategically address local needs.

On November 6, 2007 (3.16) the Board of Supervisors accepted the Edward Byrne Memorial Discretionary Grants Program – Targeting Violent Crimes Initiative Grant in the amount of \$436,239. The grant period ends September 30, 2008; the reappropriation will allow the Department to utilize the remaining funds.

The grant documents have been approved as to form by County Counsel.
