jurisdictions and to reduce overall costs by processing the two separate jurisdictional improvements as one project.

The County and City mutually determined the great need for the improvements and both agreed that the County will take the lead in constructing the improvements, and the City will reimburse the County for the portion that falls within the City's jurisdiction. The total improvements are estimated at approximately \$176,000. By this agreement, the City of Blythe will reimburse funds to the County in the amount of \$86,500 for the City's share of the improvements.
