the Transportation Department with the needed services. The contract agreement was for the Fiscal Years of 2004/05 to 2006/07 (July 1, 2004 to June 30, 2007) with two optional one-year extensions. The first optional one-year extension was exercised under Amendment No. 2 to extend the term of the contract to June 30, 2008. This contract amendment will exercise the second and last optional one-year extension to extend the term of the contract to June 30, 2009. The Transportation Department needs the continued services of Albert A. Webb Associates. All associated contract costs will be funded using project funds. Thus, no Net County costs *will be incurred* as a result of this contract amendment.
