

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Waste Management Department

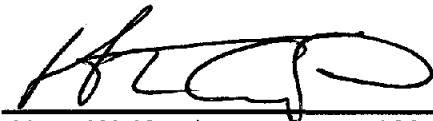

SUBMITTAL DATE:
July 18, 2008

SUBJECT: Contract Award for the Earthwork Excavation for Future Site Improvement Projects at the Lamb Canyon Sanitary Landfill

RECOMMENDED MOTION: That the Board:

1. Award the Contract for the Earthwork Excavation for Future Site Improvement Projects at the Lamb Canyon Sanitary Landfill to Altfilisch Contractors, Inc. in the amount of \$2,934,278.75; and
2. Authorize the Chairman to execute the agreement on behalf of the Department.

BACKGROUND: On July 1, 2008, the Board approved the contract documents for the Earthwork Excavation for Future Site Improvement Projects at the Lamb Canyon Sanitary Landfill and authorized the Department to advertise for bids. On July 17, 2008, fourteen (14) total bids were received, with Specialized Environmental, Inc., submitting the apparent low bid in the amount of \$2,435,565.00. The bid from Specialized Environmental, Inc., was rejected for being non-responsive on the following items: 1) The bid did not include documentation to establish the bidder qualifications as required by the Contract Documents (Notice to Contractors); and 2) The bid indicates that subcontractors will accomplish work in an amount more than 50% of the total work, in violation of the Contract Documents requirements (General Provisions, Section 6.3). Accordingly, the second lowest bid in the amount of \$2,934,278.75 which was submitted by Altfilisch Contractors, Inc., was determined to be responsive.
