BACKGROUND:

The Riverside County Regional Medical Center Foundation's 2008 Festival of Trees event will include a holiday extravaganza at the Riverside Convention Center from November 25th through November 30th and a fundraising gala to be held on November 25th. Proceeds from the event enable the Foundation to purchase desperately needed and often life saving equipment for the Medical Center, especially units that serve children.

We would like to use Fourth District Community Distribution Funds to support this event in its 19th year of raising funds to benefit the Riverside County Medical Center.
