SUBJECT: Fast Track request for Christian Schools of the Desert

RECOMMENDED MOTION: That the Board of Supervisors grant Fast Track status to Christian Schools of the Desert's project in accordance with Board Policy A-32

BACKGROUND: Economic Development staff has received a request for Fast Track status from the Christian Schools of the Desert (CSOD) for the development of a new school site to serve preschool through 12th grade students. The school has outgrown their current site and has sold it to the County of Riverside for use as a park and for future community facilities. Expediting the entitlement process for CSOD will allow the surrounding community to utilize the current fields sooner. In order to assist CSOD through the project approval and permit processing; I am recommending that Fast Track Status be granted to this project.
