- (7) County Counsel be directed to prepare the necessary Findings of Facts and Conclusions that the grading without a permit on the real property is declared to be in violation of Riverside County Ordinance No. 457 and a public nuisance, and further, to prepare an Order to Abate for approval by the Board.

**JUSTIFICATION:**

1. An inspection was made of the subject property by the Code Enforcement Officer on May 11, 2006. The inspection revealed a road and pad had been graded in violation of Riverside County Ordinance No. 457 (RCC Title 15). The officer estimated that approximately one thousand (1,000) cubic yards of dirt had been graded. A search of Riverside County records indicated that no permit for grading has been obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on March 26, 2008; July 1, 2008; and July 29, 2008, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for unpermitted grading.
