BACKGROUND:

The Family Service Association in collaboration with the City of Calimesa is expanding program services at the Norton Younglove Senior Center. These funds will be provided on a quarterly basis to support the service expansion. Arc of Riverside County is providing the NineZero games and these funds provide sponsorship of that event. The VFW Post and American Legion Posts in the 5th District provide a variety of services in the community and these funds assist in furthering community involvement. I urge the Board to support these uses of Community Improvement Designation funds.
