- (5) The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Ordinance No. 725.
- (6) That upon the restoration of the property and payment of all abatement costs assessed against the property, the five (5) year hold on the issuance of building permits and land use approvals will be lifted.
- (7) County Counsel be directed to prepare the necessary Findings of Facts and Conclusions that the substandard structure on the real property is declared to be in violation of Riverside County Ordinance No. 457 and a public nuisance, and further, to prepare an Order to Abate for approval by the Board.

JUSTIFICATION:

1. An inspection was made of the subject property by Code Enforcement Officers on November 20, 2006. The inspection revealed two motocross tracks had been graded on the property and that the tracks deviated from the natural topography in violation of Riverside County Ordinance No. 457 (RCC Title 15). One June 3, 2008, the Code Enforcement Officer estimated that approximately five hundred sixty-three (563) cubic yards of dirt has been graded. A search of Riverside County records indicates that no permit for grading has been applied for or obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on June 21, 2007, June 28, 2007, November 16, 2007, March 10, 2008, June 3, 2008 and July 3, 2008, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without permits.
