FROM: Community Health Agency/Environmental Health

SUBMITTAL DATE:

SUBJECT: Approval of Agreement with the City of Moreno Valley for Vector Control Service, Environmental Engineering Plan Review and Technical Assistance, and Plan Review Services.

RECOMMENDED MOTION: That the Board of Supervisors approve the attached revised contract between the Department of Environmental Health and the City of Moreno Valley.

BACKGROUND: The Riverside County Department of Environmental Health (the "Department") has been providing vector control services to the City of Moreno Valley (the "City") through an established Agreement since 2002. This revised contract would allow the Department to provide Vector Control services, Environmental Engineering Plan Review and Technical Assistance, and Plan Review to the City on a year-round basis.

"Environmental Engineering Plan Review and Technical Assistance" will be provided based on the approved hourly rate defined in County Ordinance No. 640, to be paid for by the City or, if directed by the City, by the proponent, developer, or homeowner; including water line layout, sewer line layout, and/or assistance in meetings involving public or private projects.

BACKGROUND CONTINUED:

"Plan Review Services": Provide for review of subsurface sewage disposal system designs and replacement systems within the City boundaries and perform onsite inspections, if requested by the City, to complete the design. Requests for subsurface sewage disposal design review or replacement systems shall be accompanied by 1) a city application, or 2) a building permit presented in person, by the proponent, to an Environmental Health office for review. The proponent shall be responsible for the payment of any applicable, current County fee for the type of review requested, at the time of submission of the request, as outlined in County Ordinance No. 640.

The City has requested this revision in order to be more proactive to the needs of the community. The City will provide full reimbursement for the Department's time and costs. The City's current budget for services is not to exceed \$15,000 per year. This agreement has an effective date of July 1, 2008 through June 30, 2011.
