BACKGROUND:

Riverside Transit Authority holds monthly meetings and an annual event of T Now which addresses local transportation issues in Moreno Valley and Perris. These funds provide sponsorship of those events. Alternatives to Domestic Violence offer shelter and counseling to those who have been victims of domestic violence and these funds assist them in providing those services. Additional funding pays for half a locker for the UCR Women's Basketball team. Food Now is being hit especially hard in these difficult financial times and these funds provide additional support. Sun City Granite provided the 24x30 inch black granite plaque etched with the photos of Esperanza firefighters. These funds pay for the memorial plaque at the new Cabazon Fire Station. I urge the Board to support these uses of Community Improvement Designation funds.
