BACKGROUND:

The California Coastal Cleanup Day 2008 is supported by the California Coastal Commission, California State Parks Foundation, and the Ocean Conservancy. This event is made possible by the hard work of hundreds of volunteers, non-profit groups and government agencies throughout the United States.

Local organizations that will be participating in the North Shore harbor clean-up as part of the National effort include the East Valley Historical Society, North Shore Community Council, Sea & Desert Interpretive Association, Desert Alliance for Community Empowerment and the Mecca Family Resource Center.

We would like to provide Fourth District Community Improvement funds to assist in the costs associated with this cleanup effort.
