**SUBMITTAL TO THE BOARD OF SUPERVISORS
 COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Roy Wilson

SUBMITTAL DATE:
 October 10, 2008

SUBJECT: Use of Funds to Retrieve Illegally Dumped Waste Materials in the 4th District.

RECOMMENDED MOTION:

Authorize the use of previously collected funds to subsidize the removal of illegally dumped waste materials throughout the 4th District of the Riverside County Board of Supervisors.

BACKGROUND:

On November 3, 1998, the Riverside County Board of Supervisors approved the initiation of an Illegal Dumping Retrieval Program for the remote areas of the Coachella Valley. A portion of the franchise fees paid by the franchise hauler to the Department of Environmental Health (Department) were to be directed into an existing fund. The fund subsidized the expense to collect the waste by the hauler. This action was necessary because from November 1998 to October 2007, the franchise agreement did not require the hauler to collect illegally dumped waste material along the roadway as a part of the franchise agreement. Effective October 2007, the Department negotiated a change in the franchise agreement to require roadway waste retrieval services to be provided at no additional charge in remote areas of the Coachella Valley and the deposits into the account were discontinued.
