BACKGROUND:

Facilities Management has selected WWCOT, Inc. from the pre-qualified list to provide architectural services for the relocation of the Hemet Fleet Services. The relocation will accommodate the new, approximately 22,000 square foot family care center for the County Health Agency in Hemet. WWCOT, Inc. was selected to provide these services for the project due to their experience and successful completion of similar projects for the County. County Counsel has approved the agreement as to legal form.

FINANCIAL DATA:

The following summarizes the estimated funding necessary to complete the design phase of the project:

WWCOT, Inc. Architectural Agreement:	\$123,500
DOFM Design & Construction Costs:	<u>\$77,000</u>
TOTAL:	\$200,500

The DOFM Design and Construction costs for the design phase pertain to specialty consultant, plan check, permit fees and project management time and labor.

Sufficient funds are available in the current fiscal year project budget to cover all costs associated with this agreement. Thus, no Net County Cost will be incurred as a result of this agreement.
