BACKGROUND:

The Moreno Valley Unified School District is holding its annual Saluting Education recognition of educators and this provides funds for that event. The Beaumont Chamber of Commerce is holding their 55th Annual Installation Dinner and these funds provide sponsorship. The Nuview Community Scholarship provides scholarships to qualifying seniors to pursue higher education. The March JPA Christmas for Kids provides gifts for the underprivileged children in the homeless programs. The Burn Institute of the Inland Empire is providing a Senior Fire and Burn Prevention Program. CSUAB Water Resources Institute provides scholarship in water resources study through the Joseph Grindstaff Scholarship and Hubert Webb Archives. These funds provide support for both those programs. I urge the Board to support these uses of Community Improvement Designation funds.
