directed to cause the appropriate resolution, based on the election tally, to be prepared and returned to the Board for its consideration.

BACKGROUND: Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2008-421 adopted October 7, 2008, the Board of Supervisors noticed a public hearing for November 25, 2008, to receive testimony regarding the annexation of Zone 123 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Zone 123 will fund the maintenance and servicing of traffic signals, and the provision of electricity for streetlights and traffic signals within public rights-of-way located northerly of Van Buren Blvd and at the intersection of King Ave and Van Buren Blvd in the Woodcrest area and includes 1 commercial parcel, totaling 5.39 acre(s).

On October 8, 2008 a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2008-421, and an information sheet was mailed to all property owners within Zone 123, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2008-421 in The Press Enterprise at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2008-421 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two other public locations within the County.

Section 53753 of the Government Code has been amended. It requires that the Board after conducting the public hearing designate an impartial person, having no vested interest in the outcome of the proposed annexation, to tally the ballots received by the close of the public hearing at a specified time, date and place.
