SUBJECT: Agreement for the Use of 2008-2009
Emergency Shelter Grant Funds from the
City of Riverside

PAGE: 2

BACKGROUND:

Pursuant to Subtitle B of the Stewart B. McKinney Homeless Act of 1987 (Public Law 100-77), the City of Riverside has been awarded Emergency Shelter Grant (ESG) funds for the operation and maintenance of emergency shelter facilities. In accordance with program requirements, the City of Riverside would provide to DPSS funding in the amount of \$70,634 for the period of July 1, 2008 through June 30, 2009 to defray part of the expenses of the emergency cold weather shelter. Path of Life Ministries is the current contractor providing emergency cold weather shelter services at the Hulen Place shelter in the city of Riverside.

The population to be served is homeless men, women and children during the cold weather period of December 1, 2008 through April 15, 2009. Funding provided by this Agreement will provide the homeless essential social services, including, but not limited to, daily hot meals, referrals to physical and mental health care services, personal care and hygiene, life skills, counseling and housing alternatives, education, job and housing placement, and other available federal, state, local and private assistance.

For FY 2007-08, the shelter served 758 unduplicated clients. By age, this number included 752 adults (18 years and over) and 6 children (under 18). By gender, 578 males and 180 females were served. There were 8,750 bed nights of services provided.

There are no changes to the population to be served, the service site, or service modalities between this Agreement and the prior Agreement, which ended June 30, 2008.

The Board has previously approved similar City of Riverside ESG agreements, most recently on October 16, 2007 (#3.39).

FINANCIAL DATA:

Funds for operating the shelters have been included in the fiscal year 2008-09 budget.
