JUSTIFICATION:

1. An inspection was made of the subject property by the Code Enforcement Officer on November 1, 2007. The inspection revealed approximately 20 piles of dirt being stockpiled on the property in violation of Riverside County Ordinance No. 457 (RCC Title 15). The Officer estimates that approximately one hundred (100) cubic yards of dirt has been graded. A search of Riverside County records indicates that no permit for grading has been obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on March 26, 2008, July 24, 2008, and December 5, 2008, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
