**JUSTIFICATION:**

1. An inspection was made of the subject property by the Code Enforcement Officer on January 30, 2008. The inspection revealed a small tractor that was clearing a motocross track and was making new berms for the track. He also observed an excavation into the hillside, berms and jumps that had been freshly graded and had a fill greater than three feet. The Code Enforcement Officer determined that approximately 130 cubic yards of dirt had been graded. The Code Enforcement Officer also observed that approximately 4.9 acres of land had been cleared and was devoid of vegetation, all in violation of Riverside County Ordinance No. 457 (RCC Title 15). A search of Riverside County records indicates that no permit for grading has been obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on March 24, 2008, May 7, 2008, July 10, 2008 and September 15, 2008, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
