**BACKGROUND:**

The Perris Chamber of Commerce hosts an Annual Chamber Installation dinner and these funds provide sponsorship for the event. Reviving Baseball in Inner Cities, a program that encourages participation in baseball to youth in inner cities and provides young people with a positive, team-oriented activity that would keep them off the streets. These funds assist in providing those opportunities. John North High School is seeking funding for a student trip to China and these funds will provide for one Highgrove student to participate. The Riverside County Officer Memorial Foundation to underwrite the annual benefit ride and these funds assist funding their efforts. I urge the Board to support these uses of Community Improvement Designation funds.
