SUBJECT: Ratify the Amendment between San Bernardino County, Department of Public Health and the Community Health Agency, Department of Public Health for HIV Medical Care, Medical Case Management, Early Intervention Services, Mental Health, Outreach, Pharmacy Services and Planning Council Support (Contracts 08-438,A-1).

BACKGROUND: (Continued)

The Ryan White Comprehensive AIDS Resource Act (RWCA) was enacted in 1990 to provide federal funding for comprehensive health and social services for persons living with the Human Immunodeficiency Virus (HIV) or Acquired Immunodeficiency Syndrome (AIDS).

As the payer of last resort, the RWCA is invaluable in filling the gaps in health care and social services for people living with HIV/AIDS. Funds from the RWCA are used to provide HIV care services, including medical and dental care, mental health care and treatment and HIV medications enabling people living with HIV/AIDS to live a longer and healthier life.

Although funds for this amendment have been reduced they will be used to continue HIV medical, mental, pharmacy services and oral health services at the Riverside Neighborhood Health Clinic, and to expand services at the Perris Family Care Center and the Indio Family Care Center.

FINANCIAL DATA: Amendment A-1 reduces the award to Riverside County by \$243,229. The original award amount from San Bernardino County was based on an anticipated award from Health Resources and Services Administration for the RWCA Part A funds. The actual award was approximately 25% less than requested amount.
