Agency in 2000. The improvements are maintained under Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Zone 4. The Transportation Department has been requested by EDA to administer the construction of hard-scape modifications of the median between 600 ft Westerly of Palomino Drive to Camino Real to replace large areas of decomposed granite with river rock hard-scaping in order to control erosion and to provide visual consistency with existing median island treatment west of Camino Real.

The submitted plans and specifications have been approved as to form by County Counsel.

Environmental clearance is complete.
