**SUBJECT: RIVERSIDE COMMUNITY COLLEGE DISTRICT – FOSTER
PARENT AND KINSHIP PROVIDER TRAINING**

BACKGROUND:

The Riverside Community College District (RCCD) provides ongoing training for all caregivers of foster children in Riverside County. The Foster Parent and Kinship Provider Training Program assists foster parents and relative caregivers to receive the training necessary in order to meet the needs of foster children, as well as assist licensed caregivers to receive courses necessary for them to maintain licensure from the state.

RCCD provides an in-depth curriculum consisting of 500 hours of workshops on topics such as attachment issues, cultural competence, encouraging responsibility, understanding temperament, and child development. These county-wide workshops are offered in both mornings and evenings, and in English and Spanish, to accommodate the schedules of the caregivers.

In accordance with the California Department of Social Services (CDSS) manual section 23-650, paragraph 1.14, DPSS negotiated, without a competitive bid process, with RCCD to provide this necessary and appropriate training program.

DPSS is requesting that the Board approve the attached Agreement retroactively to July 1, 2008.
