BACKGROUND:

The objective of the People to People Student Ambassador Program is to promote international understanding while building leadership skills among our youth. Vanessa Ayala and Edna Ramirez attend Mecca Elementary School. Both are outstanding 6th grade students and have participated in civic activities.

Ms. Ayala and Ms. Ramirez have raised the majority of the \$5500 each for this educational trip through fundraising. Their families support their efforts but have very limited financial resources to assist any further.

We would like to use Fourth District Community Improvement Designation funds to provide \$500.00 each for this worthwhile educational program.
