BACKGROUND:

The Black History Month Celebration is a worthy endeavor by the College of the Desert Alumni Association and Student Life, Boys and Girls Club of Indio, and the Black Men and Women of the Coachella Valley Organization to help educate students and the community at large of the enormous contributions of the African-Americans and the historical significance of their resolve and determination. The celebration will include speakers giving history lessons and overviews of the progress of the African American people, recreational activities, and entertainment.

We would like to request Community Improvement Designation Funds to support this community event.
