**JUSTIFICATION:**

1. An inspection was made on the subject property by the Code Enforcement Officer on November 15, 2007. The inspection revealed a large pad (1,411 cubic yards) and slopes on the property in violation of Riverside County Ordinance No. 457 (RCC Title 15). A search of Riverside County records indicates that no permit for grading has been obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on February 4, 2008, April 28, 2008, August 14, 2008, October 9, 2008, November 5, 2008 and February 9, 2009, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
