10000-1000100000-320135		

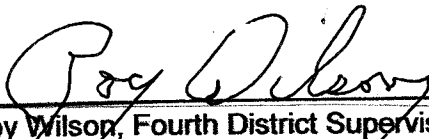

BACKGROUND:

The objective of the People to People Student Ambassador Program is to promote international understanding while building leadership skills among our youth. Fulgencio Toledo attends Desert Mirage High School in the unincorporated community of Oasis. He is an honor student, a member of the Catch A Dream College Preparation program, the school Soccer team, and the Cross County and Track team.

Fulgencio has raised the majority of the \$5500 each for this educational trip through fundraising, requesting donations from local businesses and service oriented organizations. Both of his parents are farm workers and have supported Fulgencio's scholastic efforts but are unable to provide the necessary funds due to limited financial resources

We would like to use Fourth District Community Improvement Designation funds to provide \$500.00 each for this worthwhile educational program.
