cause the appropriate resolution, based on the election tally, to be prepared and returned to the Board for its consideration.

BACKGROUND: Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2009-017 adopted February 10, 2009, the Board of Supervisors noticed a public hearing for April 7, 2009, to receive testimony regarding the annexation of Zone 120 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Zone 120 will fund the maintenance and servicing of landscaping, multi-purpose trails, fencing, fossil filters, bio-swales, graffiti abatement, and traffic signals, and the provision of electricity for streetlights and traffic signals within public rights-of-way located easterly of Butterfield Stage Rd and southerly and westerly of La Serena Way in the Rancho California area and includes 63 single-family residential lots and 3 commercial parcels.

On February 11, 2009 a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2009-017, and an information sheet was mailed to all property owners within Zone 120, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2009-017 in an appropriate newspaper at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2009-017 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two other public locations within the County.
