**BACKGROUND:**

On February 26, 2008, the Board of Supervisors approved an architectural services agreement between the County of Riverside and GMID. This agreement was to provide design, bid support and construction contract administration services for the RCRMC Emergency Treatment Services Facility Expansion - Phase 1, located at 9990 County Farm Road in Riverside.

The bid documents are now complete and Facilities Management requests approval to solicit bids for construction of this project. The bid documents have been approved by County Counsel as to legal form.

All costs associated with this project will be funded with RCRMC Operating Funds. Facilities Management will return to the Board under separate cover to approve the project budget and execute any related project agreements.
