BACKGROUND: SafeHouse of the Desert is an emergency shelter serving the needs of runaway and homeless youth in the Coachella Valley. It provides a crucial alternative to young people whose lives are in turmoil. Teenagers who have recently become homeless for a variety of reasons and are in need of safe haven are able to access shelter, food, clothing, counseling, and education.

We would like to use Fourth District Community Improvement funds to ensure that SafeHouse of the Desert will be able to continue to provide the necessary services in our area.
