1972 for the maintenance and servicing of streetlights and traffic signals; adopting the preliminary engineer's report; giving notice of and setting the time and place of the public hearing on the annexation of Zone 135, ordering a mailed ballot election; and directing notice of the public hearing and ballot be mailed pursuant to Article XIID of the California Constitution.

BACKGROUND: Adoption of Resolution No. 2009-146 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Zone 135 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2009-147 declares the Board's intention of ordering the annexation of Zone 135 to L&LMD No. 89-1-C. Annexation of Zone 135 to L&LMD No. 89-1-C will fund the maintenance and servicing of traffic signals, and the provision of electricity for streetlights and traffic signals within public right-of-way located northwesterly and southeasterly of Indian Truck Trl, at the intersections of Indian Truck Trl and De Palma Rd and Santiago Canyon Rd and De Palma Rd, and future landscape improvements within public right-of-way located at the I-15/Indian Truck Trl Interchange in the Glen Ivy Hot Springs area and includes 261 single-family residential lots and 4 commercial parcels totaling 7.92 acres.

The proposed budget for fiscal year 2009-10 for Zone 135 is \$4,703.00 that will result in an assessment for fiscal year 2009-10 within Zone 135 of \$14.52 per EDU (Equivalent Dwelling Unit). Rates for various land uses are as follows:

1 Single Family lot	=	1 EDU	=	\$14.52 per year
1 Commercial acre	=	8 EDUs	=	\$116.62 per year

The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U, if any, as it stands as of March of each year over the base index for March of 2009.

In addition to the Standard Annual Adjustment, beginning in the fiscal year in which the landscape improvements on I-15/Indian Truck Trl Interchange are completed, the annual assessments may be further increased. For the fiscal year in which the landscape improvements are completed, the annual assessment may be increased to an amount not to exceed \$305.18 per EDU, adjusted for inflation. The Standard Annual Adjustment will be applied to this increased assessment in all subsequent fiscal years following the year in which the landscape improvements on I-15/Indian Truck Trl Interchange are completed. Under the proposed annexation, neither the assessment increases based on the Standard Annual Adjustment nor the further increases associated with the completion of the landscape improvements on I-15/Indian Truck Trl Interchange will require any further approval of the landowners within Zone 135.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on June 23, 2009 to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 135

will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2009-147, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Zone 135 will be annexed to L&LMD No. 89-1-C.

The individuals/entities which own all of the property within the proposed boundaries of Zone 135 have executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on June 23, 2009.

1 with the Clerk of the Board of Supervisors in accordance with Sections 22608 and 22585 et. seq. of the
2 Street and Highways Code and Section 4 of Article XIID; and

3 **WHEREAS**, said Engineer has filed the Report with the Clerk of the Board of Supervisors and
4 the Report has been presented to and considered by the Board of Supervisors; and

5 **WHEREAS**, the Applicants have executed a "Waiver and Consent Regarding Date of
6 Assessment Ballot Election" allowing for the election to be held on June 23, 2009; and

7 **WHEREAS**, it is necessary that the Board of Supervisors adopt a resolution of intention
8 pursuant to Section 22624 of the Streets and Highways Code, which fixes and gives notice, pursuant to
9 Section 22626 of the Streets and Highways Code, of the time and place of a public hearing on said
10 Report, the annexation of Zone 135, and the assessments to be levied on parcels within Zone 135
11 beginning in fiscal year 2009-10;

12 **NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED** by the
13 Board of Supervisors in regular session assembled on May 5, 2009 as follows:

14 **Section 1. Findings.** The Board of Supervisors, after reviewing the Report, finds that:

- 15 (a) The foregoing recitals are true and correct;
- 16 (b) The Report contains all matters required by Sections 22565 through 22574 of the
17 Streets and Highways Code and Section 4 of Article XIID and may, therefore, be
18 approved by the Board of Supervisors;
- 19 (c) The annual assessment for fiscal year 2009-10 on all parcels within Zone 135 proposed
20 to be annexed to L&LMD No. 89-1-C will be \$14.52 per EDU.
- 21 (d) Beginning in the fiscal year in which the landscape improvements on I-15/Indian
22 Truck Trl Interchange are completed, the annual assessment and all subsequent annual
23 assessments will be increased accordingly. The annual assessment may be increased
24 to an amount not to exceed \$305.18 per EDU, adjusted for inflation, in the fiscal year in
25 which the landscape improvements on I-15/Indian Truck Trl Interchange are completed
26 as detailed in the Report. Subsequent annual assessments will be increased, without

1 regard to the \$305.18 per EDU ceiling, in accordance with the standard annual
2 adjustment formula outlined in Section 5 of this Resolution.

3 **Section 2. Intent.** The Board of Supervisors hereby declares its intention to order the
4 annexation of Zone 135, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and
5 collect an annual assessment on all assessable lots and parcels of property within Zone 135
6 commencing with the fiscal year 2009-10 as set forth in the Report. The Report expressly states that
7 there are no parcels or lots within Zone 135 that are owned by a federal, state or other local
8 governmental agency that will benefit from the services to be financed by the annual assessments. The
9 annual assessments will be collected at the same time and in the same manner as property taxes are
10 collected, and all laws providing for the collection and enforcement of property taxes shall apply to the
11 collection and enforcement of said assessments.

12 **Section 3. Boundaries.** All the property within boundaries of Zone 135 is proposed to be
13 annexed into L&LMD No. 89-1-C and shall include that property in the unincorporated area of the
14 County as described and shown in Exhibit "A".

15 **Section 4. Description of Services to be Provided.** The maintenance and servicing of
16 traffic signals, and the provision of electricity for streetlights and traffic signals authorized for Zone 135
17 of L&LMD No. 89-1-C are:

- 18 (a) The maintenance and servicing of future landscaping within the public right-of-way
19 including the trimming, fertilizing, weeding and replanting of trees, shrubs, grass, and
20 other ornamental vegetation; and
- 21 (b) The maintenance and servicing of future irrigation and electrical facilities associated with
22 the landscaping, including but not limited to electricity for operation of the irrigation
23 system and water for irrigation; and
- 24 (c) Providing electricity to and the maintenance and servicing of traffic signals within the
25 public right-of-way including incidental costs and expenses; and
26

1 (d) Providing electricity to all streetlights within the public right-of-way including incidental
2 costs and expenses.

3 **Section 5. Amount to be Levied.** The assessment to be levied upon each parcel that
4 benefits from the annexation of Zone 135 to L&LMD No. 89-1-C will be \$14.52 per EDU (or single
5 family residential parcel), for fiscal year 2009-10. As stated in the Report, the total budget for Zone 135
6 for the fiscal year 2009-10 is \$4,703.00; there are 324 EDUs that are to be assessed. The annual
7 assessment will be increased by the greater of two percent (2.0%) or the cumulative percentage
8 increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI-U") for the Los Angeles-
9 Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the
10 Bureau of Labor Statistics of the United States Department of Labor. The annual CPI-U adjustment will
11 be based on the cumulative increase, if any, in the Index as it stands on March of each year over the
12 base Index for March of 2009. The annual assessment increase derived from the application of the
13 foregoing formula is referred to as the "Standard Annual Adjustment." In addition to the Standard
14 Annual Adjustment, beginning in the fiscal year in which the future landscape improvements on I-
15 15/Indian Truck Trl Interchange are completed, the annual assessments may be further increased. For
16 the fiscal year in which the future landscape improvements are completed, the annual assessment may
17 be increased to an amount not to exceed \$305.18 per EDU, adjusted for inflation. The Standard Annual
18 Adjustment will be applied to this increased assessment in all subsequent fiscal years following the
19 year in which the future landscape improvements on I 15/Indian Truck Trl Interchange are completed
20 without regard to the \$305.18 per EDU, inflation adjusted, assessment ceiling required during the fiscal
21 year the future landscape improvements were first completed. Except for assessment increases
22 associated with the completion of the future landscape improvements on I-15/Indian Truck Trl
23 Interchange, and assessment increases resulting from the application of the Standard Annual
24 Adjustment, any other increase in the annual assessment requires a majority approval of all the
25 property owners within Zone 135. The Board of Supervisors will levy the assessment in each
26 subsequent fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of

1 Zone 135 of L&LMD No. 89 1 C. The annual assessment will fund the services described in Section 4
2 of this Resolution. For further particulars, reference is to be made to the Report on file in the Office of
3 the Clerk of the Board of Supervisors.

4 **Section 6. The Property to be Annexed.** The property to be annexed into L&LMD No.
5 89-1-C is Zone 135. The boundaries of Zone 135 are located within the unincorporated area of the
6 County and are described and shown in the Report and Exhibit "A".

7 **Section 7. Report.** The Report, which is on file with the Clerk of the Board of Supervisors
8 and which has been presented to the Board of Supervisors, is hereby approved. Reference is made to
9 the Report for a full and detailed description of the services, the boundaries of Zone 135, and the
10 annual assessment to be levied upon assessable lots and parcels within Zone 135 proposed to be
11 annexed to L&LMD No. 89-1-C.

12 **Section 8. Public Hearing.** The question of whether Zone 135 shall be annexed into
13 L&LMD No. 89-1-C and an annual assessment levied beginning with fiscal year 2009-10 shall be
14 considered at a public hearing (hereinafter the "Public Hearing") to be held on June 23, 2009, at 9:30
15 a.m. at the meeting room of the Board of Supervisors of the County at 4080 Lemon Street, 1st Floor,
16 Riverside, California.

17 **Section 9. Majority Protest.** Each owner of record of property within Zone 135 is to receive
18 by mail an assessment ballot that shall conform to the requirements of Section 4 of Article XIIID and
19 Section 4000 of the California Elections Code. The assessment ballots are to be returned prior to the
20 Public Hearing. L&LMD No. 89-1-C shall not impose assessments on property within the boundaries of
21 Zone 135 if there is a majority protest with regard to the annexation of Zone 135. A majority protest
22 exists if, upon the conclusion of the Public Hearing, the tabulation of the assessment ballots submitted
23 in opposition to the annexation and assessment of Zone 135 exceeds the assessment ballots in favor
24 of the annexation and assessment of Zone 135.

25 **Section 10. Information.** Any property owner desiring additional information regarding
26 Zone 135 of L&LMD No. 89-1-C, the Report, or the proposed assessment is to contact Ms. Judy A.

4 **Section 11. Notice of the Public Hearing.** Notice of Public Hearing with regard to the
5 annexation of Zone 135 to L&LMD No. 89-1-C shall be given consistent with Section 22626 of the
6 Streets and Highways Code and Section 4 of Article XIID. The Clerk of the Board of Supervisors shall
7 give notice of the Public Hearing by causing a certified copy of this Resolution to be published once in
8 an appropriate newspaper at least ten (10) days prior to the date of the Public Hearing that is June 23,
9 2009. Publication of this Resolution is to be effected by the Clerk of the Board of Supervisors. Notice
10 shall also be given by mailing first-class, postage prepaid, those notices, as prepared by County
11 Counsel, assessment ballot and information sheets as required by Section 4 of Article XIID and
12 Section 4000 of the California Elections Code to all owners of record of property within Zone 135 as
13 shown on the last equalized assessment roll of the County. Mailing is to be made by the Engineer and
14 deposited with the U. S. Post Office at least forty-five (45) days prior to the Public Hearing on June 23,
15 2009.

BACKGROUND: Adoption of Resolution No. 2009-146 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Zone 135 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2009-147 declares the Board's intention of ordering the annexation of Zone 135 to L&LMD No. 89-1-C. Annexation of Zone 135 to L&LMD No. 89-1-C will fund the maintenance and servicing of traffic signals, and the provision of electricity for streetlights and traffic signals within public right-of-way located northwesterly and southeasterly of Indian Truck Trl, at the intersections of Indian Truck Trl and De Palma Rd and Santiago Canyon Rd and De Palma Rd, and future landscape improvements within public right-of-way located at the I-15/Indian Truck Trl Interchange in the Glen Ivy Hot Springs area and includes 261 single-family residential lots and 4 commercial parcels totaling 7.92 acres.

The proposed budget for fiscal year 2009-10 for Zone 135 is \$4,703.00 that will result in an assessment for fiscal year 2009-10 within Zone 135 of \$14.52 per EDU (Equivalent Dwelling Unit). Rates for various land uses are as follows:

1 Single Family lot	=	1 EDU	=	\$14.52 per year
1 Commercial acre	=	8 EDUs	=	\$116.62 per year

The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U, if any, as it stands as of March of each year over the base index for March of 2009.

In addition to the Standard Annual Adjustment, beginning in the fiscal year in which the landscape improvements on I-15/Indian Truck Trl Interchange are completed, the annual assessments may be further increased. For the fiscal year in which the landscape improvements are completed, the annual assessment may be increased to an amount not to exceed \$305.18 per EDU, adjusted for inflation. The Standard Annual Adjustment will be applied to this increased assessment in all subsequent fiscal years following the year in which the landscape improvements on I-15/Indian Truck Trl Interchange are completed. Under the proposed annexation, neither the assessment increases based on the Standard Annual Adjustment nor the further increases associated with the completion of the landscape improvements on I-15/Indian Truck Trl Interchange will require any further approval of the landowners within Zone 135.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on June 23, 2009 to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 135

The Honorable Board of Supervisors

will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2009-147, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Zone 135 will be annexed to L&LMD No. 89-1-C.

The individuals/entities which own all of the property within the proposed boundaries of Zone 135 have executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on June 23, 2009.

1 with the Clerk of the Board of Supervisors in accordance with Sections 22608 and 22585 et. seq. of the
2 Street and Highways Code and Section 4 of Article XIID; and

3 **WHEREAS**, said Engineer has filed the Report with the Clerk of the Board of Supervisors and
4 the Report has been presented to and considered by the Board of Supervisors; and

5 **WHEREAS**, the Applicants have executed a "Waiver and Consent Regarding Date of
6 Assessment Ballot Election" allowing for the election to be held on June 23, 2009; and

7 **WHEREAS**, it is necessary that the Board of Supervisors adopt a resolution of intention
8 pursuant to Section 22624 of the Streets and Highways Code, which fixes and gives notice, pursuant to
9 Section 22626 of the Streets and Highways Code, of the time and place of a public hearing on said
10 Report, the annexation of Zone 135, and the assessments to be levied on parcels within Zone 135
11 beginning in fiscal year 2009-10;

12 **NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED** by the
13 Board of Supervisors in regular session assembled on May 5, 2009 as follows:

14 **Section 1. Findings.** The Board of Supervisors, after reviewing the Report, finds that:

- 15 (a) The foregoing recitals are true and correct;
- 16 (b) The Report contains all matters required by Sections 22565 through 22574 of the
17 Streets and Highways Code and Section 4 of Article XIID and may, therefore, be
18 approved by the Board of Supervisors;
- 19 (c) The annual assessment for fiscal year 2009-10 on all parcels within Zone 135 proposed
20 to be annexed to L&LMD No. 89-1-C will be \$14.52 per EDU.
- 21 (d) Beginning in the fiscal year in which the landscape improvements on I-15/Indian
22 Truck Trl Interchange are completed, the annual assessment and all subsequent annual
23 assessments will be increased accordingly. The annual assessment may be increased
24 to an amount not to exceed \$305.18 per EDU, adjusted for inflation, in the fiscal year in
25 which the landscape improvements on I-15/Indian Truck Trl Interchange are completed
26 as detailed in the Report. Subsequent annual assessments will be increased, without

1 regard to the \$305.18 per EDU ceiling, in accordance with the standard annual
2 adjustment formula outlined in Section 5 of this Resolution.

3 **Section 2. Intent.** The Board of Supervisors hereby declares its intention to order the
4 annexation of Zone 135, as described and shown in Exhibit "A", to L&LMD No. 89-1-C, and to levy and
5 collect an annual assessment on all assessable lots and parcels of property within Zone 135
6 commencing with the fiscal year 2009-10 as set forth in the Report. The Report expressly states that
7 there are no parcels or lots within Zone 135 that are owned by a federal, state or other local
8 governmental agency that will benefit from the services to be financed by the annual assessments. The
9 annual assessments will be collected at the same time and in the same manner as property taxes are
10 collected, and all laws providing for the collection and enforcement of property taxes shall apply to the
11 collection and enforcement of said assessments.

12 **Section 3. Boundaries.** All the property within boundaries of Zone 135 is proposed to be
13 annexed into L&LMD No. 89-1-C and shall include that property in the unincorporated area of the
14 County as described and shown in Exhibit "A".

15 **Section 4. Description of Services to be Provided.** The maintenance and servicing of
16 traffic signals, and the provision of electricity for streetlights and traffic signals authorized for Zone 135
17 of L&LMD No. 89-1-C are:

- 18 (a) The maintenance and servicing of future landscaping within the public right-of-way
19 including the trimming, fertilizing, weeding and replanting of trees, shrubs, grass, and
20 other ornamental vegetation; and
- 21 (b) The maintenance and servicing of future irrigation and electrical facilities associated with
22 the landscaping, including but not limited to electricity for operation of the irrigation
23 system and water for irrigation; and
- 24 (c) Providing electricity to and the maintenance and servicing of traffic signals within the
25 public right-of-way including incidental costs and expenses; and
- 26

1 (d) Providing electricity to all streetlights within the public right-of-way including incidental
2 costs and expenses.

3 **Section 5. Amount to be Levied.** The assessment to be levied upon each parcel that
4 benefits from the annexation of Zone 135 to L&LMD No. 89-1-C will be \$14.52 per EDU (or single
5 family residential parcel), for fiscal year 2009-10. As stated in the Report, the total budget for Zone 135
6 for the fiscal year 2009-10 is \$4,703.00; there are 324 EDUs that are to be assessed. The annual
7 assessment will be increased by the greater of two percent (2.0%) or the cumulative percentage
8 increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI-U") for the Los Angeles-
9 Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the
10 Bureau of Labor Statistics of the United States Department of Labor. The annual CPI-U adjustment will
11 be based on the cumulative increase, if any, in the Index as it stands on March of each year over the
12 base Index for March of 2009. The annual assessment increase derived from the application of the
13 foregoing formula is referred to as the "Standard Annual Adjustment." In addition to the Standard
14 Annual Adjustment, beginning in the fiscal year in which the future landscape improvements on I-
15 15/Indian Truck Trl Interchange are completed, the annual assessments may be further increased. For
16 the fiscal year in which the future landscape improvements are completed, the annual assessment may
17 be increased to an amount not to exceed \$305.18 per EDU, adjusted for inflation. The Standard Annual
18 Adjustment will be applied to this increased assessment in all subsequent fiscal years following the
19 year in which the future landscape improvements on I 15/Indian Truck Trl Interchange are completed
20 without regard to the \$305.18 per EDU, inflation adjusted, assessment ceiling required during the fiscal
21 year the future landscape improvements were first completed. Except for assessment increases
22 associated with the completion of the future landscape improvements on I-15/Indian Truck Trl
23 Interchange, and assessment increases resulting from the application of the Standard Annual
24 Adjustment, any other increase in the annual assessment requires a majority approval of all the
25 property owners within Zone 135. The Board of Supervisors will levy the assessment in each
26 subsequent fiscal year until the Board of Supervisors undertakes proceedings for the dissolution of

1 Zone 135 of L&LMD No. 89 1 C. The annual assessment will fund the services described in Section 4
2 of this Resolution. For further particulars, reference is to be made to the Report on file in the Office of
3 the Clerk of the Board of Supervisors.

4 **Section 6. The Property to be Annexed.** The property to be annexed into L&LMD No.
5 89-1-C is Zone 135. The boundaries of Zone 135 are located within the unincorporated area of the
6 County and are described and shown in the Report and Exhibit "A".

7 **Section 7. Report.** The Report, which is on file with the Clerk of the Board of Supervisors
8 and which has been presented to the Board of Supervisors, is hereby approved. Reference is made to
9 the Report for a full and detailed description of the services, the boundaries of Zone 135, and the
10 annual assessment to be levied upon assessable lots and parcels within Zone 135 proposed to be
11 annexed to L&LMD No. 89-1-C.

12 **Section 8. Public Hearing.** The question of whether Zone 135 shall be annexed into
13 L&LMD No. 89-1-C and an annual assessment levied beginning with fiscal year 2009-10 shall be
14 considered at a public hearing (hereinafter the "Public Hearing") to be held on June 23, 2009, at 9:30
15 a.m. at the meeting room of the Board of Supervisors of the County at 4080 Lemon Street, 1st Floor,
16 Riverside, California.

17 **Section 9. Majority Protest.** Each owner of record of property within Zone 135 is to receive
18 by mail an assessment ballot that shall conform to the requirements of Section 4 of Article XIID and
19 Section 4000 of the California Elections Code. The assessment ballots are to be returned prior to the
20 Public Hearing. L&LMD No. 89-1-C shall not impose assessments on property within the boundaries of
21 Zone 135 if there is a majority protest with regard to the annexation of Zone 135. A majority protest
22 exists if, upon the conclusion of the Public Hearing, the tabulation of the assessment ballots submitted
23 in opposition to the annexation and assessment of Zone 135 exceeds the assessment ballots in favor
24 of the annexation and assessment of Zone 135.

25 **Section 10. Information.** Any property owner desiring additional information regarding
26 Zone 135 of L&LMD No. 89-1-C, the Report, or the proposed assessment is to contact Ms. Judy A.

4 **Section 11. Notice of the Public Hearing.** Notice of Public Hearing with regard to the
5 annexation of Zone 135 to L&LMD No. 89-1-C shall be given consistent with Section 22626 of the
6 Streets and Highways Code and Section 4 of Article XIID. The Clerk of the Board of Supervisors shall
7 give notice of the Public Hearing by causing a certified copy of this Resolution to be published once in
8 an appropriate newspaper at least ten (10) days prior to the date of the Public Hearing that is June 23,

PART IV

**ASSESSMENT FOR FISCAL YEAR 2009-10
LANDSCAPING AND LIGHTING MAINTENANCE DISTRICT
NO. 89-1-CONSOLIDATED, ZONE 135
COUNTY OF RIVERSIDE, CALIFORNIA**

**“LANDSCAPING AND LIGHTING ACT OF 1972”, DIVISION 16 OF THE
STREETS AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA**

WHEREAS, on May 5, 2009 the Board of Supervisors of the County of Riverside, State of California, did, pursuant to the provisions of the “Landscaping and Lighting Act of 1972”, being Division 15 of the Streets and Highways Code of the State of California, adopt Resolution No. 2009-146 ordering the preparation of the engineer’s report for a special assessment district known and designated as:

Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Zone 135 (herein referred to as “District”); and,

WHEREAS, the Board of Supervisors, did direct the appointed Engineer to make and file a “Report”, in accordance with Article 4 (commencing with Section 22565) of Chapter 1 of Part 2 of Division 15 of the Streets and Highways Code, being an article of the aforementioned Landscaping and Lighting Act of 1972.

WHEREAS, Section 22567 of said Article 4 states the “Report” shall consist of the following;

- a. Maintenance plans for the streetlight and traffic signal improvements
- b. An estimate of the costs of servicing streetlight and traffic signal improvements
- c. A diagram for the assessment district
- d. An assessment of the estimated costs of maintenance of the improvements

NOW, THEREFORE, I, the appointed ENGINEER, pursuant to the 'Landscaping Act of 1972", do hereby submit the following:

1. Pursuant to the provisions of law the costs and expenses of the District have been assessed upon the parcels of land in the District benefited thereby in direct proportion and relation to the estimated benefits to be received by each of said parcels. For particulars as to the identification of said parcel, reference is made to the Assessment Diagram, a reduced copy of which is included herein.
2. As required by law, a Diagram is filed herewith, showing the District, as well as the boundaries and dimensions of the respective parcels and subdivisions of land within said District as the same exist each of which subdivisions of land or parcels or lots, respectively, have been given a separate number upon said Diagram and in the Assessment Roll contained herein.
3. The separate numbers given the subdivisions and parcels of land, as shown on said Assessment Diagram and Assessment Roll, correspond with the numbers assigned to each parcel by the Riverside County Assessor. Reference is made to the County Assessment Roll for a description of the lots or parcels.
4. There are no parcels or lots within Zone 135 that are owned by a federal, state or other local governmental agency that will benefit from the services to be provided by the assessments to be collected.

Method of Assessment Apportionment

The law requires and the statutes provide that assessments, as levied pursuant to the "Landscaping and Lighting Act of 1972" be based on the benefit properties receive. The statutes do not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings.

The maintenance of streetlights and traffic signals provides direct and special benefit to those properties located within Zone 135 in Landscaping and Lighting Maintenance District No. 89-1-Consolidated (DISTRICT). Streetlights and traffic signals enhance the properties within the DISTRICT, improve neighborhood protection, allow traffic into and out of the development, increase traffic safety by improving visibility, and provide an enhanced quality of life and sense of well being for properties within the DISTRICT.

The streetlight and traffic signal improvements maintained by the DISTRICT provide no general public benefit in that the properties within Zone 135 are discrete neighborhoods or communities for which the streetlight and traffic signal improvements were installed. Streetlight and traffic signal improvements do not extend beyond the perimeter of the boundary of each of those discrete neighborhoods or communities. It is therefore determined that all properties within the DISTRICT benefit equally from the financed improvements and the costs and expenses for the streetlight and traffic signal improvements maintenance and services are apportioned on a per EDU (Equivalent Dwelling Unit) basis.

The dollar per EDU value for Fiscal Year 2009-10 for Zone 135 is as follows:

$$\begin{array}{rcl} \text{Total Budget} = & \underline{\$4,703.00} & \\ \text{Total No. EDUs} & 324 & = \quad \$14.52/\text{EDU} \end{array}$$

Each residential parcel (improved or vacant) was assessed one EDU.

Vacant, subdivided (record map) property was assessed according to Assessor's Land Use Code designations.

For commercial parcels, it was assumed that the number of EDUs was proportional to the area of each parcel in relationship to the area of a typical residential lot ranging from approximately 0.20 to 0.25 acres. Thus, each commercial parcel was assessed 8 EDUs per acre.

Open space such as parks and golf course parcels were not assessed.

The assessment for Fiscal Year 2009-10 for Zone 135 that is to be annexed into Landscaping and Lighting Maintenance District No. 89-1-Consolidated will be \$14.52 per EDU. Rates for various land uses are as follows:

1 Single Family lot	=	1 EDU	=	\$14.52 per year
1 Commercial acre	=	8 EDUs	=	\$116.62 per year

The annual assessment may be increased to an amount not to exceed \$305.18 per EDU, adjusted for inflation per EDU, starting the fiscal year in which the landscape improvements on I-15/Indian Truck Trl Interchange are completed. The annual assessment will be increased by the greater of two percent (2.0%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers ("CPI-U") for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of United States Department of Labor. The annual "CPI-U" adjustment will be based on the cumulative increase, if any, in the Index as it stands on March of each year over the base Index for March of 2009. Any increase larger than the greater of 2.0% or the "CPI-U" annual adjustment requires a majority approval of all the property owners within Zone 135.

Waiver and Consent Regarding Date of Assessment Ballot Election

The individuals/entities which own all of the property within the proposed boundaries of Zone 135 have executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on June 23, 2009; a copy of said waivers are filed herewith and made a part hereof.

In conclusion, it is my opinion that the assessments for Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Zone 135 have been spread in direct accordance with the benefits that each parcel receives from the items being financed.
