BACKGROUND:

Clinton Keith Road is proposed to be constructed as a six-lane urban arterial between Antelope Road and State Route 79 in Western Riverside County, in accordance with County General Plan Amendment (CGPA) 409, adopted December 19, 2000. The length of the proposed project, including the existing alignment and the extension of alignment, is approximately 3.4 miles (5.5 kilometers).

The Clinton Keith Road Extension Supplemental Environmental Impact Report No. 398 was approved by the Board of Supervisors on February 7, 2006.

The Department of Facilities Management (DOFM) has presented an offer to the property owner (Assessor's Parcel Number 392-340-028), as required by Government Code Section 7267.2. The price is consistent with current property values in the Murrieta area based on an independent appraisal report. DOFM has also offered to pay the reasonable costs, not-to-exceed \$5,000, for an independent appraisal as required by California Code of Civil Procedure, Section 1263.025.

On February 24, 2009, the Board approved Resolution No. 2009-011, Notice of Intention to Adopt a Resolution of Necessity Regarding the Improvement, Widening and Extension of Clinton Keith Road and Other Roads in Western Riverside County.

The County is authorized to acquire property by eminent domain under various authorities, including Article 1, Section 19, of the California Constitution; Section 25350.5 of the Government Code; and Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.110, 1240.410, 1240.510, and 1240.610 of the Code of Civil Procedure.

Staff recommends approval of Resolution No. 2009-012, Authorizing Resolution of Necessity Regarding the Improvement, Widening and Extension of Clinton Keith Road and Other Roads in Western Riverside County.

The Resolution has been reviewed and approved by County Counsel as to legal form.

FINANCIAL DATA:

The following summarizes the funding necessary for the acquisition of a portion of Assessor's Parcel Number 392-340-028:

Estimated Title and Escrow Charges:	\$ 10,000

Owner Appraisal Expense Reimbursement:	\$ 5,000
