- (6) That upon the restoration of the property and payment of all abatement costs assessed against the property are paid the five (5) year hold on the issuance of building permits and land use approvals will be lifted.
- (7) County Counsel be directed to prepare the necessary Findings of Facts and Conclusions that the grading without a permit on the real property is declared to be in violation of Riverside County Ordinance No. 457 and a public nuisance, and further, to prepare an Order to Abate for approval by the Board.

JUSTIFICATION:

1. An inspection was made of the subject property by the Code Enforcement Officer on May 23, 2008. The inspection revealed two pads had been graded on the property and that permit had expired without being finalized in violation of Riverside County Ordinance No. 457 (RCC Title 15). The Officer measured that approximately six thousand three hundred seventy (6,370) cubic yards of dirt has been graded. A search of Riverside County records indicates that a permit for grading had been obtained, but has expired. This creates a public and attractive nuisance.
2. Follow-up inspections on August 19, 2008 and March 31, 2009, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
