 Community Improvement

BACKGROUND:

The Indio Performing Arts Center provides programs and activities for low income senior citizens and teens. The Center will provide dance, music and stage production training after school. The seniors will take part in the programs offered at the facility by volunteering their time and using their special talents to work with the teens.

We would like to use Fourth District Community Improvement funds to support these worthwhile programs in partnership with the Boys and Girls Club, Indio Teen Center and Indio High School.
