**BACKGROUND:**

The Blythe Health & Safety Day is a community event that is attended by public, and non-profit groups who will be promoting good physical and mental health.

The Blythe Emergency Food Pantry distributes food to low income families in the Palo Verde Valley.

The Colorado River Senior and Community Center provides essential service that include nutritional, health and emergency services to residents in this very remote area.

The Desert Legal Aid provides legal assistance to low income seniors at the Palm Springs and Cathedral City Senior Centers.

The Volunteer Center of Riverside County provides information, referrals, and resources to residents in the Coachella Valley.

The Regional Access Project Foundation will provide scholarships to outstanding students in the Coachella Valley and Palo Verde Valley who have demonstrated leadership capabilities in academics and in their communities. Each of the students will be attending a College or University in the Fall of 2009.

We would like to use Fourth District Community Improvement Designation funds to assist to these worthy non-profit organizations in meeting the needs of our communities.
