

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Roy Wilson

SUBMITTAL DATE: June 3, 2009

SUBJECT: Fourth District Supervisor's Pay Reduction

RECOMMENDED MOTION: That the Executive Office:

1. Request the Auditor/Controller to reduce my salary and benefits to reflect two furlough days a month, and ensure that this reduction amounts to approximately 10 percent of my compensation, maintaining this reduced amount of pay until our County's structural deficit is eliminated.
2. Provide all Riverside County elected officials with information about this option to demonstrate to all County employees that we have a serious budget crisis and that we all must share the burden of sacrifices until we can get our budget balanced.

Roy Wilson, Fourth District Supervisor
