JUSTIFICATION:

1. An inspection was made of the subject property by the Code Enforcement Officer on May 23, 2008. The inspection revealed a pad had been graded on the property and that permit had expired without being finalized in violation of Riverside County Ordinance No. 457 (RCC Title 15). The Officer measured that approximately five thousand six hundred (5,600) cubic yards of dirt has been graded. This creates a public and attractive nuisance.
2. Follow-up inspections on August 19, 2008 and April 24, 2009, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
