SUBJECT: Resolution No. 2009-244 - Beaumont Unified School District, Election of 2008, General Obligation Bonds, Series A (Vote on Separately)

RECOMMENDED MOTION: That your Honorable Board approve and adopt Resolution No. 2009-244, Authorizing the Issuance and Sale of Beaumont Unified School District, Election of 2008, General Obligation Bonds Series A in a Maximum Aggregate Principal Amount not to Exceed \$37,000,000.

BACKGROUND: Education Code Section 15140 requires that general obligation bonds of a school district be offered for sale by the Riverside County Board of Supervisors, when the Riverside County Superintendent of Schools has jurisdiction over that district, and when the district wishes to offer its bonds via a negotiated sale. Although California law permits a board of supervisors to opt out of that requirement, this Board has not adopted the necessary enabling resolution. At the same time the County Treasurer has taken the position that school districts should not be negotiating the sale of bonds without his participation.

The Riverside County Superintendent of Schools has jurisdiction over the Beaumont Unified School District (the "District") which is planning to issue and sell bonds via a negotiated sale. Therefore the Education Code provides that the Riverside County Board of Supervisors is responsible for issuing and selling these District bonds, via a negotiated sale, on behalf of the District. To that end, the District's Board of Trustees adopted Resolution No. 2009-56 requesting this Board to sell the District's general obligation bonds in an aggregate principal amount not to exceed \$37,000,000.

An election was held on November 4, 2008, pursuant to paragraph (3) of subdivision (b) of Section 1 of Article XIII A and subdivision (b) of Section 18 of Article XVI of the California Constitution and Section 15266 of the Education Code which codifies, in part, Proposition 39. During that election, a measure authorizing the District to incur general obligation bonded indebtedness in an aggregate principal amount not to exceed \$125,000,000 was approved by more than 55% of the qualified voters voting on the measure.

Resolution No. 2009-244 authorizes the issuance and sale of Beaumont Unified School District, Election of 2008, General Obligation Bonds, Series A (the "Series A Bonds") in an aggregate principal amount not to exceed \$37,000,000 as requested by the District. The proceeds of the Series A Bonds are to be expended only for identified school facilities and improvements. All expenditures are subject to the review of a citizens' oversight committee appointed by the District's Board of Trustees.

These bonds represent general obligations of the District; these bonds do not constitute a debt or obligation of the County. No part of any fund of the County is pledged or obligated to the payment of these bonds.

The Office of County Counsel has reviewed Resolution No. 2009-244 and has approved it as to form.

For purposes of this Section and Section 17, United States Obligations shall mean:

Direct and general obligations of the United States of America, or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidence of direct ownership or proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances wherein (a) a bank or trust company acts as custodian and holds the underlying United States Obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States Obligations; and (c) the underlying United States Obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claims of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated "AAA" by Standard & Poor's and "Aaa" by Moody's Investors Service.

Section 17. Partial Defeasance. Any portion of the Outstanding maturities of the Election of 2008 General Obligation Bonds Series A may be defeased prior to maturity in the following ways:

(a) by irrevocably depositing with the County, or a bank or trust company appointed by the County, in escrow, an amount of cash which, together with amounts then on deposit in the Debt Service Fund, is sufficient to pay the designated Outstanding maturities of Election of

2008 General Obligation Bonds Series A, including all Principal, Accreted Value, interest and premium, if any; or

(b) by irrevocably depositing with the County, or a bank or trust company appointed by the County, in escrow, noncallable United States Obligations, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon, be fully sufficient to pay and discharge the designated Outstanding maturities of Election of 2008 General Obligation Bonds Series A (including all Principal, Accreted Value, interest and premium, if any, at or before their maturity date);

then, notwithstanding that any of such designated maturities of Election of 2008 General Obligation Bonds Series A shall not have been surrendered for payment, all obligations of the District and the County with respect to such Outstanding maturities of Election of 2008 General Obligation Bonds Series A shall cease and terminate, except only the obligation of the County and the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of the Election of 2008 General Obligation Bonds Series A of such maturities defeased and not so surrendered and paid, all sums due with respect thereto.

For purposes of this Section, United States Obligations shall have the same meaning as set forth in Section 16 hereof.

Section 18. Continuing Disclosure. The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Any Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under the Continuing Disclosure Agreement. The failure of the District to comply with the Continuing Disclosure Agreement shall not constitute a default hereunder nor shall any Owner be permitted to monetary damages for failure of the District to comply.

Section 19. Tax Covenants of the District. The District has covenanted for and on behalf of the Owners that it shall not take any action, or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income for federal income tax purposes of the interest payable on the Election of 2008 General Obligation Bonds Series A.

Section 20. Arbitrage Covenant. The District has covenanted for and on behalf of the Owners that it will restrict the use of the proceeds of the Election of 2008 General Obligation Bonds Series A in such manner and to such extent, if any, as may be necessary, so that the Election of 2008 General Obligation Bonds Series A will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District. The County hereby covenants that it will follow such written directions as are given to it by an Authorized Representative of the District to restrict the use of the proceeds of the Election of 2008 General Obligation Bonds Series A in such manner and to such extent, if any, as may be necessary, so that the Election of 2008 General Obligation Bonds Series A will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that section or any predecessor section.

Section 21. Conditions Precedent. This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the

Election of 2008 General Obligation Bonds Series A in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Election of 2008 General Obligation Bonds Series A have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Election of 2008 General Obligation Bonds Series A.

Section 22. Preliminary Official Statement. The District has agreed to cause a Preliminary Official Statement and a final Official Statement meeting the requirements of Securities and Exchange Commission Rule 15c2-12 to be prepared. Such Preliminary Official Statement and Official Statement shall be referred to as the "Official Statement," and will be substantially in the form of the Preliminary Official Statement to be approved by the Board of Trustees of the District, together with such changes as the District deems necessary to make such Official Statement accurate as of its date.

Section 23. Approval of Actions. Officers of the Board and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Election of 2008 General Obligation Bonds Series A and otherwise carry out, give effect to and comply with the terms and intent of this Resolution, including the execution of any documents required by a Bond Insurer as a precondition to obtaining bond insurance if purchased by the District. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

Section 24. Supplemental Resolutions.

(a) This Resolution, and the rights and obligations of the County, the District and of the Owners of the Election of 2008 General Obligation Bonds Series A issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the County with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Election of 2008 General Obligation Bonds Series A, exclusive of Election of 2008 General Obligation Bonds Series A, if any, owned by the County or the District; provided, however, that no such modification or amendment shall, without the express consent of the Owner of each Election of 2008 General Obligation Bond Series A affected, reduce the Principal Amount of any Series A Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

(b) This Resolution, and the rights and obligations of the County, the District and of the Owners of the Election of 2008 General Obligation Bonds Series A issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the County without the written consent of the Owners;

(i) To add to the covenants and agreements of the County in this Resolution, other covenants and agreements to be observed by the County which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(ii) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(iii) To confirm as further assurance any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(iv) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or

(v) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not adversely affect the interests of the Owners.

(c) Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Election of 2008 General Obligation Bonds Series A and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer or agent of either from taking any action pursuant thereto.

Section 25. Insurance. In the event the District purchases bond insurance for the Election of 2008 General Obligation Bonds Series A, and to the extent that the Bond Insurer makes payment of the Principal, Accreted Value or interest on an Election of 2008 General Obligation Bond Series A, it shall become the owner of such Election of 2008 General Obligation Bond Series A, with the right to payment of Principal, Accreted Value or interest on such Election of 2008 General Obligation Bond Series A, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for such Election of 2008 General Obligation Bond Series A maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer or other evidence satisfactory to the Paying Agent for the payment of such interest to the Owner of such Election of 2008 General Obligation Bond Series A, and (ii) in the case of subrogation as to claims for past due Principal, Accreted Value or interest, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for such Election of 2008 General Obligation Bond Series A maintained by the Paying Agent upon surrender of such Election of 2008 General Obligation Bond Series A by the Owner thereof to the Bond Insurer or the insurance trustee for the Bond Insurer. The Paying Agent shall request payment pursuant to the terms of any bond insurance policy to the extent required to pay the Principal of and interest on the Election of 2008 General Obligation Bonds when due if amounts on deposit in the Debt Service Fund are not adequate for that purpose.

Section 26. Resolution to Constitute Contract. In consideration of the purchase and acceptance of any and all of the Election of 2008 General Obligation Bonds Series A authorized to be

issued hereunder by those who shall own the same from time to time, this Resolution shall be deemed to be and shall constitute a contract among the County, the District and the Owners from time to time of the Election of 2008 General Obligation Bonds Series A; and the pledge made in this Resolution shall be for the equal benefit, protection and security of the Owners of any and all of the Election of 2008 General Obligation Bonds Series A, all of which, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Election of 2008 General Obligation Bonds Series A over any other thereof.

(a) All amounts held in the funds and accounts established hereunder shall be invested by the Treasurer in any instrument which is a lawful investment for funds of the District.
