6. TERMINATION

A. By Commission: The Commission may, by written notice to Partner Agency terminate this Contract in whole or in part at any time for the reasons as set forth below. Upon receipt of notice, Partner Agency shall immediately discontinue all services affected (unless the notice directs otherwise).

1. Termination for no cause. The Commission may terminate this Contract upon thirty (30) calendar days written notice for no cause. Following notice of such termination, Partner Agency shall notify the Commission as to the status of its performance. Notwithstanding any other payment provision of this Contract, the Commission shall pay Partner Agency for service performed to the date of termination, to include a prorated amount of compensation due hereunder, less payments, if any, previously made. In no event shall Partner Agency be paid an amount in excess of the full price under this Contract or for unperformed services. Partner Agency shall furnish to the Commission such information as is necessary in the judgment of the Commission to determine the reasonable value of the services rendered by Partner Agency. In the event of a dispute as to the reasonable value of the services rendered by Partner Agency, the decision of the Commission shall be final. The foregoing is cumulative and shall not affect any right or remedy, which the Commission may have in law or equity.

2. Termination for cause:

Upon default by the Partner Agency in the performance of this Contract or material breach of any of its provisions which include but are not limited to; change in status or delegation, assignment or alteration of the services outlined in Attachment A of this Contract, the Commission may immediately terminate this Contract by written notice, which shall be effective upon receipt by Partner Agency.

- B. **By Partner Agency:** Partner Agency may terminate this Contract upon thirty (30) calendar days written notice to the Commission.

7. **REQUIREMENT OF SUPPLEMENTING PROGRAM**

Funds received pursuant to this Contract shall not be used to supplant any program of the Partner Agency. Proposition 10 Funds shall ONLY be used to supplement a Partner Agency's program. The Commission endorses the California Children and Families Commission's interpretation of supplanting: The definition of "supplement" is to add to or augment something that currently exists, while "supplant" is defined as taking the place of something currently in existence. As defined in Health and Safety Code sections 130100 et seq. (the Act), all monies raised pursuant to the Act shall be appropriated and expended by Partner Agency only to supplement existing levels of services. The Act specifically prohibits appropriation and expenditure of funds to supplant local general funds. Further, expenditures are prohibited for use to fund any existing levels of service.

8. **DATA MANAGEMENT:**

The Commission continues to refine its evaluative processes that will assist the Commission, its Partner Agencies and the community to successfully implement, increase and measure the impact of the Children and Families Act in Riverside County. Where appropriate, Partner Agency agrees to participate in the ongoing development of these evaluative processes. Specific areas may include, but are not limited to, the development of outcomes for programmatic performance, standards for service delivery and assessment tools.

Partner Agency agrees to participate in a comprehensive, countywide, internet-based evaluation and management process as defined by the Commission. Participation shall include, but is not limited to, monthly input of program and financial data, submission of quarterly and annual Program Progress Reports, utilization of the Commission developed reporting systems and Administrative Review formats and required training to familiarize and implement the results-based accountability framework.

9. **SCOPE OF WORK (SOW)**

- A. Agencies will be required to submit and adhere to a Scope of Work approved by the Commission. The SOW will accurately reflect measurable results of services provided through Proposition 10 funding. The SOW will provide a quantitative description of the program(s) objectives to be achieved in connection with Proposition 10 funding.
- B. SOW revisions that are considered relatively minor adjustments that do not affect the overall deliverables of the contract shall be accepted for consideration throughout the term of this contract. Requests for these types of SOW adjustments must be submitted to the Commission office in writing or via e-mail. Upon approval, Partner Agencies will receive either written or e-mail verification from the Executive Director, or designee.

SOW revisions that are considered significant changes to program performance targets but which affect the overall deliverables of the contract include the following: changes that result in the type or number of customers served, new staff positions or major staff changes, or changes in the Targets. SOW revisions shall be submitted to the Executive Director, or designee, via the Program Specialist assigned to the Partner Agency. The

Executive Director, or designee, will respond to the proposed request for SOW revisions within thirty (30) calendar days after receipt at the Commission office. Final approval of any proposed revisions to the SOW shall require the written approval of the Executive Director or designee. All changes will be incorporated into the Contract and shall become effective on the date of written approval from the Executive Director and/or the Commission. Documentation of the approval and referenced changes will be kept on file at the Commission office.

- C. Partner Agency agrees to make every possible effort to obtain voluntary consent using the Commission Consent Form for any customer entered into the Data Management System. Partner Agency also agrees to maintain the original signed Consent Form on file for the Commission to review as necessary. Each customer is to receive a copy of the signed Consent Form.

10. **REIMBURSEMENT OF COSTS**

There will be no payment for services performed and/or expenditures accrued prior to the full execution of this contract. Reimbursement of costs shall be made upon Partner Agency's satisfactory performance, based upon the Scope of Work and methodology contained in Attachment A as determined by the Commission. The Commission shall allocate the funds to Partner Agency as follows:

- A. All funds provided pursuant to this Contract shall be expended by Partner Agency in accordance with the budget, as set forth in Attachment B hereto.
- B. Funds shall be disbursed at the beginning of each quarter (July, October, January and April). The Initial quarter payment will be advanced at the onset of the contract term. The initial advance shall not exceed one quarter (1/4th) of the compensation amount referenced on page 1, page Compensation. Subsequent disbursements, however, will be reconciled based on actual program expenditures and shall not exceed one quarter (1/4th) of the contract total. Under special circumstances, the Partner Agency may request additional funding for quarterly disbursement. This request must be submitted in writing to the Executive Director. If approved, total funding disbursed shall not exceed total contract amount for the contract term. The Executive Director, or designee, reserves the right to withhold or reduce disbursement of funds if Partner Agency fails to, 1) comply with all monthly program data and financial input requirements and quarterly reports by the indicated due date, 2) if results achieved are not as projected with and no Commission approved plan is in place for improvement or 3) if the Partner Agency is not in compliance with any provision contained within this Contract.
- C. (For CC Contracts reimbursed for slots only) Reimbursement for expenditures will be based on approved enrollment on the last working day of the month and input into the Data Management System by the 20th of the following month.

11. **FISCAL AND PROGRAM REPORTING REQUIREMENTS**

A. **Fiscal Reporting**

Fiscal expenditures are required to be input into the Data Management System on a monthly basis and input must be completed by the 20th of the following month. If the due date falls on a weekend or holiday, the due date will be on the following business day. Any changes that occur with expenditures must be reported to the Commission staff and adjusted within the Data Management System before the end of the Quarter following the expense occurrence. Example: Changes to expenditures in the first quarter must be

adjusted and reconciled before the end of the 2nd quarter (December 30, as reported in the January 30 report). A change in Partner Agency staff, or other difficulties, does not absolve the Partner Agency from this monthly fiscal reporting responsibility.

Costs may be allowed and reviewed for reimbursement up to the time of the **Final Fiscal Expenditure Report, which is due July 30**. Such costs may be disallowed if submitted subsequent to the close of the Commission's fiscal year.

The Commission staff will send a letter verifying the cost reimbursements or notification of payments withheld. If a payment is due, a check will be attached to the letter and mailed to the attention of the person designated by the Partner Agency. Changes in the mailing address or designated contact person must be submitted in writing on the Partner Agency letterhead and signed by an authorized representative. Check amounts exceeding \$250,000 will not be mailed and arrangements must be made to pick up the check at the Commission office. If requested by Partner Agency, the check can also be mailed via Certified mail.

B. Program Reporting

Program data must be entered on a monthly basis and input must be completed by the 20th of the following month. If the due date falls on a weekend or holiday, the due date will be on the following business day. Additionally, Quarterly Program Progress Reports must be submitted to the Commission within thirty (30) calendar days after the end of the quarter. Any changes that occur with program data input must be reported to the Commission staff and adjusted within the Data Management System before the end of the Quarter following the change. Example: Changes to program data in the first quarter must be adjusted and reconciled before the end of the 2nd quarter (December 30, as reported in the January 30 report). A change in contract staff, or other difficulties, does not absolve the Partner Agency from this monthly program data input and quarterly Program reporting responsibility.

In rare and justifiable circumstances, an extension may be requested by the Partner Agency and reviewed by the Commission staff. Such requests are to be submitted prior to the due date and shall be directed through the Program Specialist assigned to the Partner Agency.

Quarterly Program Reporting due dates for 12-month funded terms:

- QUARTER 1: October 30
- QUARTER 2: January 30
- QUARTER 3: April 30
- QUARTER 4: July 30 (Final Cumulative Program Progress Report)

12. REIMBURSEMENT OF FUNDS TO THE COMMISSION

If Partner Agency has been overpaid in the previous fiscal year, the Commission will, in instances where the Contract is renewed, reduce subsequent payment(s) to recover the amount overpaid.

Notwithstanding any other provision herein, Partner Agency agrees to reimburse, in full, any and all funds received from the Commission, upon request of the Commission, where such funds as determined by the Commission are not, or have not been utilized by Partner Agency for their

purpose as intended by the Commission. The terms and conditions of reimbursement shall be at the sole discretion of the Commission.

13. RCCFC FISCAL REQUIREMENTS

A. Budget Adjustments

A transfer of no more than 10% (per fiscal year) of the total Contract amount may be made without prior written approval of the Executive Director, or designee, but written justification from the Partner Agency is required in the Program Progress Report submitted for the quarter in which the transfer is made. Budget adjustments will not change the total Contract amount and additional line items are **not** to be included. Failure of the Commission to discover or object to any unsatisfactory quarterly fiscal reports prior to payment will not constitute a waiver of the Commission's right to require Partner Agency to correct such quarterly reports. Budget Adjustments will be considered by the Commission until June 1st of the current fiscal year.

B. Budget Revisions

Budget revisions are requests to transfer more than 10% of the total Contract amount and/or the addition of line items that were not previously approved. The Executive Director, or designee, will accept proposed budget revisions along with written justification from Partner Agencies during the current fiscal year. The Executive Director, or designee, will respond to budget revisions within thirty (30) calendar days after receipt at the Commission office. Budget Revisions will be considered by the Commission until June 1st of the current fiscal year.

C. Amendments

Necessity for amendments to this contract will be determined by the Executive Director, or designee, and may include, but are not limited to Contract increases or decreases and significant changes to the Scope of Work (SOW). All amendments to the Contract shall require formal approval of the Commission, as provided herein, before they are effective. Contract Amendments will be considered by the Commission until June 1st of the current fiscal year.

D. Cost Allocation

Partner Agency shall have or establish a cost allocation system to identify prorated costs shared by different funding sources, including Proposition 10 funds. Partner Agency Cost Allocation Plan must be approved by Partner Agency appropriate governing body and submitted with executed contract.

E. Overhead/Indirect Costs

1. Indirect costs shall be based on a Board approved cost allocation plan or state/federal approved rate not to exceed 10%. These costs will be reviewed and approved on a case-by-case basis. The indirect rate shall not be applied to any funds passed through to other agencies for services contained in the attached SOW (Attachment A).
2. A pass through is defined as those instances where the Partner Agency forwards funds obtained from the Commission to a subcontractor and the Commission maintains no relationship or responsibility for the performance of the subcontractor. Proposition 10 funds shall not be used in a manner that will cause payment for indirect costs associated with the Partner Agency's funded program more than once. First 5 Riverside will not pay for subcontractor indirect costs as part of Partner Agency budget.

F. Revenues Received

Any and all revenue received by the Partner Agency (except funds received from the Commission) to operate the project funded pursuant to this Contract shall be reported as revenue received within the monthly fiscal report. All such revenues shall be used to fully compensate expenses within the program funded and/or to provide additional services within the program funded pursuant to this Contract. Any unused revenues shall be deducted from Contract reimbursement, as authorized by the Commission. All such revenue will be reported monthly in the First 5 Riverside expense reports.

G. Payroll Taxes

The Commission shall not be directly responsible for the payment of any taxes on the Partner Agency's behalf. In the event that the Commission is required to do so by state, federal or local taxing agencies, Partner Agency agrees to promptly reimburse the Commission for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but are not limited to the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance and workers' compensation insurance.

14. PARTNER AGENCY AUDIT REQUIREMENTS

- A.** All Partner Agencies are required to have an annual financial audit. Each Partner Agency shall provide a copy of their annual audited financial statements to the Commission covering the fiscal year that funds are received for services provided pursuant to this Contract. The audit will cover the Partner Agency's fiscal year and will include a statement of internal controls over financial reporting. All audits shall be performed by either: (1) a Certified Public Accountant who possesses a valid license to practice within the State of California; (2) a Public Accountant currently certified and licensed by the State of California.
- B.** Agencies who have a Single Audit completed, under the auspices of OMB A-133, in any given year will be required to have a Program Specific Audit completed under guidelines as stated under Government Auditing Standards. The Program Specific Audit will cover the Partner Agency's fiscal year and will include a statement of compliance.
- C.** Audits are to be submitted to the Executive Director, or designee, on an annual basis within one hundred and eighty (180) calendar days after the close of the Partner Agency's fiscal year. Proposition 10 funds and expenditures must be identified separately within the financial audit. If an audit is not received on or before the required due date and an extension has not been granted, the audit shall be considered delinquent and immediate corrective action is required. If the Partner Agency fails to produce or submit an acceptable audit, the Commission has the authority to withhold funding, and if necessary, secure an Auditor, and the Partner Agency shall be liable for all Commission costs incurred in obtaining an independent audit. The cost of the audit will be applied against the contract encumbered amount, thereby reducing the amount of funding available to the program.

15. INVENTORIAL EQUIPMENT/VEHICLES

- A.** The title of vehicles or property derived from approved purchases funded by Proposition 10 funds shall be maintained by the Partner Agency for the uses and purposes provided; Partner Agency shall administer such property only for the purposes for which they were granted.
- B.** The Commission considers equipment as items purchased with Proposition 10 funds that cost \$1,000 or more. For any and all equipment purchases meeting this criterion, Partner Agency shall inventory and report such items on the Commission Inventory Record Form.

This record must accompany Partner Agency's final Quarterly Reports submitted at the end of the Contract period. Applicable receipts must be maintained by the Partner Agency to validate expenditures during the Commission Administrative Review visits. Ownership and documentation of vehicles shall be maintained by the Partner Agency. Partner Agency shall submit a copy of the pink slip regarding vehicle ownership with the final Quarterly Reports. It is understood that the Partner Agency is liable for any/all liability and damages resulting from the misuse of equipment/vehicles purchased with Proposition 10 funds. Equipment/vehicles shall not be used for personal use by the Partner Agency, and/or their employees, agents, subcontractors and/or collaborating partners.

16. REVERSION OF ASSETS

Real or Personal Property Assets. Any real property or moveable or immovable personal property under Partner Agency's control or ownership that was acquired or improved in whole or in part with Proposition 10 funds disbursed under this Contract, or under any previous Contract between the Commission and Partner Agency, where the original cost exceeded one thousand dollars (\$1,000.00) shall either be, at the election of the Commission as determined by the Executive Director, or designee: (1) used by Partner Agency for the services described in Exhibit A for a period of five (5) years after termination or expiration of this Contract, unless a longer period is specified in Exhibit A; or (2) disposed of and proceeds paid to the Commission in a manner that results in the Commission being reimbursed in the amount of the current fair market value (assuming depreciation in accordance with customary business practices) of the real or personal property less any portion of the current value attributable to Partner Agency's out of pocket expenditures using non-commission funds for acquisition of, or improvement to, such real or personal property and less any direct and reasonable costs of disposition.

- A. In furtherance of the foregoing, if the Commission selects continued use of the capital asset, as provided herein, the Partner Agency hereby agrees that it shall be subject to an ongoing operating and use covenant relating to the subject real or personal property. The foregoing covenant shall survive the termination or expiration of this Contract and shall be actionable at law or in equity by the Commission against Partner Agency and its successors in interest.
- B. In the event the Commission selects disposition of the subject real or personal property, then Partner Agency shall exercise due diligence to dispose of such property in conformity with applicable laws and regulations and in accordance with customary business practices. The net proceeds of such disposition shall be disbursed directly to and be payable to the Commission upon the close of the applicable disposition traction, such as close of escrow for the sale of real property, transfer of a motor vehicle "pink slip" in accordance with applicable California Vehicle Code requirements, or completion of sale of personal property by bill of sale in accordance with Uniform Commercial Code (UCC) requirements.

17. TOBACCO CONTROL POLICY

Agencies shall submit a copy of the response to the governing entity within 24 hours after sending the response.
- E. Partner Agency shall immediately notify the Commission upon the filing of any action in bankruptcy.
