THIS AMENDMENT (hereinafter the "Amendment") to an agreement is made and entered into as of this _____ day of _____, 2009, by and between the County of Riverside, a political subdivision of the State of California (hereinafter the "COUNTY"), and Jones & Stokes Associates (hereinafter "CONSULTANT").

RECITALS

- A. COUNTY and CONSULTANT have entered in an agreement entitled "On-Call Environmental Services" between County of Riverside – Transportation Department and Jones & Stokes Associates that is dated July 11, 2006 (hereinafter the "Agreement"). The Agreement provides the terms and conditions, scope of work, schedule and budget for the performance of professional and technical services necessary to provide on-call Environmental services.
- B. Appendix B • Article BI establishes the time period for allowing work assignments to be authorized under the original agreement. The terms and conditions specify that work assignment can be authorized for three years from the date of Board of Supervisors agreement approval (July 11, 2009) and that the authority to execute work assignments can be modified through one-year supplemental extensions. The agreement allows for two separate one-year extensions. The CONSULTANT is satisfactorily performing the duties under this agreement and the Transportation Department continues to need the services provided. The parties therefore now desire to implement the first one-year extension of the authority to execute work assignments.
- C. The County of Riverside – Transportation Department intends to modify the term of the contract extension to coincide with the fiscal year, July 1-June 30.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties agree as follows, effective July 1, 2009:

1. The term of the contract is modified to coincide with the County fiscal year, July 1 through June 30.
