Added Project:

Project: Summerhouse
Eligibility: 24 CFR §92.205(a)(1)
Sponsor: Bridge Housing Corporation
Address: 2202 30th Street, San Diego, CA 92104

Funding: **\$2,500,000**

Project Description:

Bridge Housing Corporation (the "Applicant"), a nonprofit corporation, is proposing to use up to \$2,500,000 in NSP funds for the development and construction of Summerhouse Apartments, a partially built 110-unit apartment complex in the City of Temecula for qualified low-income households ("Project"). The Project is located at 44155 Margarita Road, in the City of Temecula, CA 92530, on approximately 6.8 acres between the corners of Dartola Road and Margarita Road with assessor parcel number 959-080-022.

The Project site is a fully entitled, partially built, 110-unit multi-family development that was foreclosed by United Commercial Bank. Prior to foreclosure the previous owner completed all site work, including perimeter walls, streets, and landscaping. One eight-unit building is complete, one six-unit building is 75% complete and two small recreational buildings are 75% complete. The proposed Project will consist of 18 one-bedroom units, approximately 690 square feet, 52 two-bedroom units, at approximately 878 to 1324 square feet, and 40 three-bedroom units, at approximately 1103 to 1918 square feet. Two three-bedroom units will be set aside for the resident managers.

The Applicant will be partnering with Orange County Rescue Mission ("OCRM"), a non-profit corporation, to create two independent communities through a legal lot line adjustment. The Applicant will develop and manage 90 units and target families earning 30%-60% of the area median income, while ORCM will develop and manage 20 units. OCRM will target homeless families and individuals earning 30% of the area median income who participate in the Rapid Re-Housing Program. The Rapid Re-Housing Program provides homeless families or individuals with housing and supportive services. The total cost of development is estimated to be \$24,835,125.
