SUBJECT: Sole Source Payment of a Ladder Truck modification from KME Fire Apparatus

RECOMMENDED MOTION: Move that the Board of Supervisors authorize Purchasing Agent to process a City Contract funded ladder modification to Truck 33, KME Fire Apparatus in the amount of \$32,700 without seeking competitive bids, in accordance with Ordinance 459.4

BACKGROUND: The Riverside County Fire Department operates a 2003 KME Ladder Truck at the Palm Desert Fire Station 33. The Truck's ladder mechanism ceased working and needed to be repaired. Due to the age of the ladder, the repairs had to be completed by the manufacturer. Modifications to the Truck's ladder were completed by the manufacturer because original parts are no longer available. This work allowed the warranty on the ladder's structure and integrity to remain intact. The cost for this work is fully funded by the Department's Cooperative Agreement with City of Palm Desert.
