SUBJECT: Fiscal Year 2009/2010 Amended Rates for the Department of Mental Health

RECOMMENDED MOTION: Move that the Board of Supervisors:

1. Introduce and set for Public Hearing, Resolution No. 2009 - 259 amending Ordinance Nos. 722 and 724, Fee Schedules for the Department of Mental Health;
2. Upon the close of the Public Hearing, adopt Resolution No. 2009 - 259 amending Ordinance Nos. 722 and 724.

BACKGROUND: In accordance with the Board of Supervisors' policy number B-4, County Departments may evaluate existing rates for services on an annual basis, and make recommendations for changes. The Riverside County Department of Mental Health (DOMH) last updated their service rates through a Board of Supervisors action on September 2, 2008, Agenda Item #9.11. The DOMH has reviewed the impact of the cost of providing services relative to the rate structure, and is proposing a rate change to certain services provided in various programs within the DOMH.

SUBJECT: Fiscal Year 2009/2010 Amended Rates for the Department of Mental Health

BACKGROUND: (Continued)

The proposed rates are based on the DOMH's FY 07/08 actual cost data and projected cost increases for the upcoming fiscal year; and will ensure maximum reimbursement for the costs of services provided.

The establishment of the proposed rates will not prohibit any citizen of Riverside County from receiving services rendered by the DOMH because the department is mandated to utilize a sliding scale to determine a patient's ability to pay. The sliding scales established by the State and County ensure that the assessment of a fee to a patient corresponds with their ability to pay, and eliminates unnecessary collection efforts for patients who are unable to pay the established Board approved rate for services received. The sliding scales take into consideration family income and number of dependents in determining a client's ability to pay.

Therefore, the DOMH is requesting that the Board of Supervisors approve to set a Public Hearing in order to amend the rate schedule as outlined in Exhibit "A" and the sliding scale as outlined in Exhibit "B"; and adopt Resolution No. 2009 - 259 at the conclusion of the Public Hearing, that will amend Ordinance Nos. 722 and 724.

FINANCIAL DATA:

The proposed rates in Exhibit "A" and Exhibit "B" have been reviewed and approved by the County Auditor/Controller. When approved by the Board of Supervisors, the rate adjustments will result in revenue to the DOMH of approximately \$110,482 annually. No budget adjustment is requested at this time, and no additional county costs are required.
