# PALM CANYON WASH LEVEE REHABILITATION & CHANNEL RESTORATION

6-0-00040

The Palm Canyon Wash Levee Rehabilitation & Channel Restoration project involves the rehabilitation of existing left and right bank levees to meet current FEMA levee freeboard criteria and removal of excess material from Palm Canyon Wash Channel to restore the channel flowline to the original design flowline. The project location is the existing Palm Canyon Wash within the City of Palm Springs from 400 feet downstream of Gene Autry Trail to approximately 1000 feet upstream of East Palm Canyon Drive. The project consists of approximately 7,100 linear feet of soil cement and 3,600 linear feet of reinforced cast in place concrete floodwall. Floodwalls vary in height from 1.83 to 6 feet tall.

NOTICE TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

**Palm Canyon Wash Levee Rehabilitation & Channel Restoration**

**Project No. 6-0-00040**

**located in the city of Palm Springs**

**Riverside County, California**

Specifications and Contract Documents may be examined at the District's office at 1995 Market Street, Riverside, California, and may be obtained upon payment to District of **\$60.00** per set, received at the District's office and **\$65.00** per set if mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 received at the District's office and \$15.00 if mailed. No refund.

Each proposal must be accompanied by a certified or cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Proposals must be in accordance with the instructions and filed with District by **11:00 a.m. on Thursday, December 10, 2009** at the District office at the above address which time and place are fixed for the public opening of bids.

General prevailing rate per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the

Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

Contractors submitting proposals for this project shall have an "A" Contractors license from the State of California in order to be considered eligible for the contract award.
